**IT'S LIB DEM  
TAMMY PALMER  
OR LABOUR  
IN DURYARD & ST JAMES**

# Tammy Palmer

Tammy is fighting for the ward she lives in. As an experienced community campaigner, Tammy has the knowledge and skills to get a fairer deal for us.

She is passionate about involving local people in decision-making. Whereas, Labour have a track record of failing to properly consult us. For example, over their bin cuts, allotment fee hikes, and cuts to front-line Citizen's Advice Bureau services.

Previous results here show it is a clear choice between hard-working local Lib Dems or just another Labour Cllr.

Lib Dem Cllrs are free to speak up and vote for our community. Whereas, Labour Cllrs have to tow the party line.

# Steve Lodge

It's time for a new Police & Crime Commissioner for Devon & Cornwall.

Together, we can steer a return to proper community policing. Only Steve Lodge can beat the Conservatives as Lib Dems have more Devon & Cornwall Cllrs than all other opposition parties combined.

### PREVENTION

Tackling the root causes of crime

### EFFECTIVENESS

Smarter policing for a safer tomorrow

**TRUST** Improving trust through transparency

## TAMMY PALMER AND THE DURYARD & ST JAMES LIB DEMS

- ✓ Lives in the ward and will speak up on behalf of the local community
- ✓ A proven community campaigner who puts our area first
- ✓ Working with Kevin and Michael to get the best deal for local people

**OR**

## MORE OF THE SAME FROM LABOUR

- ✗ Dither and delay on kerbside food and glass recycling
- ✗ Wasted millions on a housing scheme that failed to deliver
- ✗ Wasted millions on their St Sidwell's Point vanity project

# IT'S A STRAIGHT CHOICE HERE BETWEEN

## Local Lib Dem TAMMY PALMER
