Local Lib Dems Demand Better for our NHS

Will Aczel, Lib Dem MP candidate for Exeter, said:

"A record 1 in 7 people are on an NHS England waiting list. In 2015-16, 1,014 people had to wait over 12-hours in A&E. Now it's over 1,000 a day.

"Instead of a plan to address this crisis, the Conservatives are cutting real-terms NHS funding this year by £4.7bn. At the same time, they are giving big banks a £3.8bn tax cut. How much more out-of-touch can they get?"

"Labour fail to offer hope for real change. The Shadow Health Secretary said Labour "would hold the door wide open" for the private sector in the NHS. This would further destabilise our NHS, drain it of doctors and nurses, burden it with debt, and skim off what should be public money.

"Lib Dems demand better. We recognise the value of our NHS and want to enable people to thrive through a strong social safety net. We will invest, reform, and recruit to revitalise our NHS."

ST THOMAS LIBERAL DEMOCRATS

Vanessa Newcombe & Cllr Adrian Fullam

Introducing VANESSA NEWCOMBE YOUR 2024 LIB DEM ST THOMAS CANDIDATE

I was a City and County Councillor for some years, and I know St Thomas well. I work in St Thomas, as Acting Manager of Turntable, the charity that supplies furniture to people on benefits, and I am the Chair of Trustees for Turntable. I am also a governor of Haven Banks Outdoor Education Centre. I hope in May you will support the Lib Dem Team here in St Thomas so I can continue to work closely with Adrian - ensuring St Thomas has an even stronger voice to represent you in council.

Cllr Adrian Fullam - Reporting back on 2023

(The 1st 7 months of his 4 year term in office)

Published and promoted by Exeter Liberal Democrats on behalf of St Thomas Liberal Democrats all at 35A Howell Road, Exeter EX4 4LT. Printed by election Workshop, 3 Sheffield Street, Manchester, M1 2ND.

Raising concerns on cleansing budget cuts

Adrian was surprised and concerned that the Labour administration decided to reduce the cleansing budget by 15%.

This has resulted in a quarter of bins/dog bins being removed and a reduction of litter pickers.

Adrian is campaigning actively on the Council to get the budget reinstated as the top priority and reverse the decline in St Thomas.

Pressing council on closed toilets

Adrian has raised the issue of the closed toilets in our area.

He has been informed that the Council intend (eventually) to market the sites. Meanwhile the sites are an eyesore within our community.

Road sign

Adrian raised the missing road sign over 3 months ago.

Good News !
The new sign is now in place

Survey of Potholes

Adrian walked the entire ward of St Thomas and completed a full list of potholes .

This information was sent to Devon County Council who have been slowly making repairs.

Cowick Street

Campaigned and persuaded Exeter City Council to eventually carry out the necessary repairs to the Cowick Street seats and benches.

Re-build houses and repairs to empty homes

Half-built houses have been abandoned by the Council in the Newman Road and Merrivale Road areas.

Adrian has been pressing the housing chief Cllr Denning in committee to complete these long overdue homes.

Power to the People

Adrian delivered over 1500 letters to households potentially affected by residents parking changes so residents could influence the decision. Adrian also delivered 100s of letters in the Barley Lane area about proposed parking restrictions.

Letting you know before changes happen

Working all year round - for you !
